SINCE 1873

KIVA

DESIGN: THOMAS ALBRECHT, 2012

The Kiva line is a seating solution for the healthcare environment that has been designed to meet the highest demands for comfort, quality and ergonomics. The Kiva chair is a cafeteria chair conceived with integrated handgrip, Dietiker's comfort upholstery and an intuitive removable seat and cover. With its rounded edges it ensures easy maintenance and an enjoyable tactile experience. Available in beech.
